Dear Valued Community Member,

Oregon City Pioneer Football will be a big part of life for many athletes, coaches, and fans. For many the game will leave lasting memories for a lifetime. Pioneer Football is about the transition of boys becoming men. The community has done their part by providing a great educational and athletic environment for young men to develop as people and football players. The purpose of Pioneer Football from the youth coaches to the varsity staff is to help each individual reach his full potential.

We strive for our players to be fundamentally sound and for our teams to execute efficiently and productively to give us the best chance to be successful. Football and the preparation and challenges that go beyond Friday night can help young men become leaders and contributors to society, communities, and family. We want our boys to look back and to be proud of who they are and where they came from.

Each year we want to create a football family that extends to the school and the community to generate pride and togetherness. Each season our goal is to experience success in November! We build on tradition one day, one game, and one play at a time.

The Oregon City Gridiron Club works hard to find partners like you who are willing to step forward and sponsor our football program. It is a tremendous task to run and maintain a successful football program in today's world of tight budgets. One of our biggest financial gaps is funding the necessary upgrade of equipment so our players are safely equipped with the best football gear possible. We also support player scholarships, pre-game meals, team travel, summer football camps, youth football camps, game time support, and assistant coach compensation.

By becoming an Oregon City Pioneer Football sponsor, you will not only help our young athletes have a more enjoyable and rewarding high school experience but will also derive satisfaction in knowing that you have enriched the Oregon City Football community by supporting the coaches and athletes alike.

Thank you for your support,

Oregon City Gridiron Club
