FAX# 503-655-1425

Dear Football Supporters:

Keith Price, the owner and operator of Grocery Outlet has allowed me to create a program for our youth sports here in Oregon City. I would like to proudly introduce the program and explain to you how it will work and benefit our local youth.

The name of the program is:

## GROCERY OUTLET SCORES BIG WITH ITS' LOCAL YOUTH!!

The program is starting on June 1st, 2007 and will be available only at the Oregon City Grocery Outlet. We have developed a card-less tracking system to keep track of all purchases made under your sports group. Whenever a customer shops our store and mentions Oregon City GridIron Football, we will automatically track the revenues and distribute a percentage to your program quarterly.

The benefit of this program for our local youth is that you may apply your purchases all year! So tell your family members to start shopping Oregon City Grocery Outlet immediately to help financially benefit your sports program. We have identified different sports programs in Oregon City. So you can choose which organization to apply purchases to throughout the year. Hopefully this will help in your fundraising efforts. We feel this will be a WIN/WIN partnership.

Suz Ferguson  
Marketing Manager  
Oregon City Grocery Outlet
